

DEPARTMENT OF CONSUMER AFFAIRS
INITIAL STATEMENT OF REASONS
FOR THE PROPOSED AMENDMENTS TO THE
CONFLICT OF INTEREST REGULATIONS

Hearing Date: November 16, 2010

Subject Matter of Proposed Regulations: Conflict of Interest Code

Section Affected: 16 CCR 3830

Specific Purpose:

The proposed changes would update the existing Conflict of Interest Code by incorporating the changes made by the following recently enacted legislation:

ABX4 20 (Strickland, Chapter 18, Statutes of 2009) made the following changes:

1. Abolished the Bureau of Naturopathic Medicine and created a Naturopathic Medicine Committee within the Osteopathic Medical Board of California to administer the Naturopathic Doctors Act.
2. Abolished the Board for Geologists and Geophysicists and transferred the licensing and regulation of geologists and geophysicists to the Board for Professional Engineers and Land Surveyors.
3. Transferred the Structural Pest Control Board from the jurisdiction of the Department of Consumer Affairs to the jurisdiction of the Department of Pesticide Regulation.
4. Consolidated the Bureau of Electronic and Appliance Repair and the Bureau of Home Furnishings and Thermal Insulation into a single bureau named the Bureau of Electronic and Appliance Repair, Home Furnishings and Thermal Insulation.

AB 1535 (Jones, Chapter 309, Statutes of 2009) abolished the Hearing Aid Dispensers Bureau, and transferred the licensing and regulation of hearing aid dispensers to the Speech-Language Pathology and Audiology Board, and changed the name to the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board.

SB 853 (Perata, Chapter 31, Statutes of 2008), abolished the Committee on Dental Auxiliaries and created the Dental Hygiene Committee.

In addition, these proposed changes would add to the list of designated employees. Therefore, a number of employees who were not previously required to file annual financial disclosure

statements would now be required to file them; and a number of currently designated positions would be deleted.

Underlying Data

Organization charts, duty statements

Business Impact

This regulation will not have any adverse economic impact on businesses.

Specific Technologies or Equipment

This regulation does not mandate the use of specific technologies or equipment.

Consideration of Alternatives

No reasonable alternative which was considered or that has otherwise been identified and brought to the attention of the department would be either more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposed regulation.

Consultants *

* Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation:

The (chief executive officer) may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this section. Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The (chief executive officer's) determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.
